

FLAIR LOGY

Bar School & Events

- BY GUINNESS WORLD RECORD HOLDER

ABOUT US

Flairology Bar School & Events, India's top class professional bartending academy is a center where modern mixology training is provided with stylish operational skills to make it more dynamic. The mixology studio at Flairology is turned into a live bar theme as the Traditional Platform that is replaced by fully loaded bar counter.

Therefore each students gets a personalized counter for himself, as we believe that practical experience is as important as theoretical so that the students get hand on experience and gain confidence which is the most important factor in being a professional and stylish bartender.

The course at Flairology are designed by experts, to train the up coming generation keeping in mind the huge hospitality demand of stylish, efficient and innovative bartending skills. There is professional training by world class bartenders holding Guinness World Records and National Bartending Champions.
